Spiritual Resources in Family Therapy
Second Edition

Edited by **Froma Walsh, MSW, PhD**, Professor Emerita, University of Chicago;
Chicago Center for Family Health

“This excellent volume reminds us that spirituality is, at its heart, all about relationships. The contributors skillfully demonstrate how practitioners from every discipline can weave a sensitivity to the spiritual dimension into their work with families from diverse religious backgrounds who are facing life's most profound problems....I highly recommend this updated second edition.”

– **Kenneth I. Pargament, PhD, Department of Psychology, Bowling Green State University**

Publication Date: December 2008
414 Pages, Hardcover
ISBN 978-1-60623-022-0

Exploring the role of spirituality in couple and family relationships, this successful text and practitioner guide illustrates ways to tap spiritual resources for coping, healing, and resilience. Leading experts in family therapy and pastoral care discuss how faith beliefs and practices can foster personal and relational well-being, how religious conflicts or a spiritual void can contribute to distress, and what therapists can gain from reflecting on their own spiritual journeys. Rich with insights for working with multi-faith and culturally diverse clients, the second edition has been thoroughly revised and updated with the latest ideas, findings, and clinical applications.

Contents

I. Overview
